

2023 Quartet Photo Packet

We are so excited to be selected to photograph you at the 2023 Region 13 Competition!

This weekend can be crazy busy, so discussing your quartet's photo options ahead of time can help a lot!

It is so fun to come up with a quartet photo that really embraces you as an ensemble! Since we only have around 10 minutes together in the photo room, planning is key! Discuss and map out if you have a pose that you would like. I will use my expertise to "fine-tune" this pose, but having a general idea is very helpful going in. Things like if you want full length or close-up or if there is something specific to feature you all is a great start!

Please fill out your order form and bring it, along with payment, with you into the photo room. You can give it to your escort at the front end of the pattern and have her give it to us in the photo room. If you don't have the form with you during our session, there will be an additional fee for a "late order" of \$15.

Delivery of photos will be around 3-4 weeks after the Competition has ended.

We will only have a backdrop and a few chairs as props, so bring some if they aren't too complicated. We have no control over how long you are with us, so let's use our time in the best way by being prepared.

We have a minimum order per quartet of \$50 - we don't allow purchase of just the Publicity file.

If you don't want to purchase any prints, we still need you to have your photo taken for Regional use. We are obligated to take them for the Region of each group.

The photos are protected by copyright laws - if you wish to use our images for publicity, social media or promotions, you need to purchase the web resolution publicity file for \$35. It is illegal to download, scan or copy any of our photos without written permission from Harmony Photography.

Please let us know if you have any questions – we look forward to working with you!
